Bring On the Dancing Horses

Lagwagon

Jimmy Brown made of stone Charlie
Clown no way home bring on the dancing horses
Headless and all alone shiverAnd say the words of every lie you've heard first
I'm gonna make it then I'm gonna break it
Till it falls apart hating all the faking
And shaking while I'm breaking your brittle heartBilly stands all alone sinking sand skin
And bone bring on the dancing horses
Wherever they may roam shiverAnd say the words of every lie you've heard
First I'm gonna make it then I'm gonna break it
Till it falls apart hating all the faking
And shaking while I'm breaking your brittle heartBrittle heart, brittle heart brittle heart
And my little heart goes Jimmy Brown made of stone
Charlie Clown no way home bring on the headless horses
Wherever they may roam shiverAnd say the words of every lie you've heard
First I'm gonna make it then I'm gonna break it
Till it falls apart hating all the faking
And shaking while you're breaking my brittle heart
Brittle heart, brittle heart and our little heart goesBring on the new messiah, wherever he may roam
Bring on the new messiah, wherever he may roam
Bring on the new messiah, wherever he may roam
Bring on the new messiah, wherever he may roam
