

# Bring On the Dancing Horses

## Lagwagon

Jimmy Brown made of stone Charlie  
Clown no way home bring on the dancing horses  
Headless and all alone shiverAnd say the words of every lie you've heard first  
I'm gonna make it then I'm gonna break it  
Till it falls apart hating all the faking  
And shaking while I'm breaking your brittle heartBilly stands all alone sinking sand skin  
And bone bring on the dancing horses  
Wherever they may roam shiverAnd say the words of every lie you've heard  
First I'm gonna make it then I'm gonna break it  
Till it falls apart hating all the faking  
And shaking while I'm breaking your brittle heartBrittle heart, brittle heart brittle heart  
And my little heart goes Jimmy Brown made of stone  
Charlie Clown no way home bring on the headless horses  
Wherever they may roam shiverAnd say the words of every lie you've heard  
First I'm gonna make it then I'm gonna break it  
Till it falls apart hating all the faking  
And shaking while you're breaking my brittle heart  
Brittle heart, brittle heart and our little heart goesBring on the new messiah, wherever he may roam  
Bring on the new messiah, wherever he may roam  
Bring on the new messiah, wherever he may roam  
Bring on the new messiah, wherever he may roam
