

# Catch

## Roc Wieler

Catch youYou create misery  
Have your cake and eat itTake your place in history  
And pray we don't repeat itCall it fate, call it back[break]Call it off, don't call me later[break]  
Lay your head in your bed  
It's just how you made itOut off my way I'm running  
I'm gonna catch you if I canOut off my way I'm coming  
I'm gonna catch you if I canOut off my way I'm running  
I'm gonna catch you if I canOut off my way start running  
I'm gonna catch youIt's your day believe it  
It's your date with destinyIt's too late to leave it  
After all it's your, it's your partyCall it luck, call it fate  
Call me beautiful to my faceCall it out to my to suprise  
It's just how you made itOut off my way I'm running  
I'm gonna catch you if I canOut off my way I'm coming  
I'm gonna catch you if I canOut off my way I'm running  
I'm gonna catch you if I canOut off my way start running  
I'm gonna catch youOut off my way I'm running  
I'm gonna catch you if I canOut off my way I'm coming  
I'm gonna catch you if I canOut off my way I'm running  
I'm gonna catch you if I canOut off my way start running  
I'm gonna catch youCatch you, catch you
