Brother's Keeper

Walter Trout

I wish supposed to be a brother's keeper
I wish supposed to hear him when he calls

I wish supposed to be a brother's keeper
I wish supposed to hear him when he calls

Wish supposed to catch him
Catch him when he falls

Jesus said to feed the hungry
Jesus said to help the poor

Jesus said to feed the hungry
Jesus said to help the poor

So many this so called Christians
They don't believe in that no more

I wish supposed to be a brother's keeper
Want to hear him when he calls

Supposed to be a brother's keeper
I believe supposed to hear him when he calls

I believe supposed to help him
I believe supposed to catch him when he falls
