

Some Good Things Never Last

Barry Manilow

It's three in the morning
You're nowhere in sight
And all that I wanted was
 To be with you
 Tonight
I've watched love get closer
 And then fade away
I've seen you believe in me
I've seen you trying to stay
But what good is holding on
 When you know
That all you can think about
 Is letting go
They say if you love someone
 Then set them free
If they come back again
 Then in the end
 It was meant to be
I thought we were lovers
I thought we were friends
 I guess when reality
 Steps in
 The dreaming ends
 We live for the future
 We learn from the past
No matter how hard we try
Some good things never last
 All you can think about
 Is letting go
 Be true to yourself my love
That's all I ever wanted you to be
 Just don't forget to smile
 When you think of me
 I'll reach for the stars
 I have got them in sight
There's someone who really needs me
 Out there in the night
 We'll live for the future
 We'll learn from the past

No matter how hard we try
Some good things never last
Why can't they last?
