Suckerpath

Ugly Kid Joe

Intro (from Peggy Sue Got Married)
I've got the hair, I've got the teeth
I've got the eyes
Well Peggy, take a look outside the window
I've got the car
I'm the lead singer
I'm the man
Verse 1
She, she come to me and set me free
That makes me feel good ah yeah
She, she's New York grown 'n I'm all alone
She makes me feel good ah yeah
Never going down a suckerpath baby
Never going down a suckerpath baby
Never going down a suckerpath baby
Never going down a suckerpath
Verse 2
She, she makes me real and sex appeal
That makes me feel good ah yeah
She, she fills my soul, It makes me whole
That makes me feel good ah yeah
Never going down a suckerpath baby
Never going down a suckerpath baby
Never going down a suckerpath baby
Never going down a suckerpath
Never going down a suckerpath baby

Now all day as you're calling me lazy
Never going down the suckerpath baby
Never go down never go down
Verse 3
She treats me like a foolish child
And laughing all the while
Makes me wanna be alive, yeah
She sees me in a different light
And knows I'll be alright
Makes me wanna be alive, yeah
All the things I could have said
Somedays now I wish I'm dead

A foolish child an awesome dream
I think you know just what I mean
Never going down a suckerpath baby
Never going down a suckerpath baby
Never going down a suckerpath baby
Never go down, never go down, yeah
Come on come on
Come on come on
Verse 4
You want to ride me I don't even care
You don't even move my style now
I don't even care now
Come on (X27)
