Take Her Back

The Pigeon Detectives

He's not sure what he should do
She's 17, he's 22
Is that too much of a difference?

So instead look what he's done
He's found a girl who's 31
Is that too much of a difference?

She's got everything he wants
She's got everything he needs
(Take her back, take her back, etc, etc, to her place)

She's got everything he wants
She's got everything he needs
(Take her back, take her back, etc, etc, to her place)

She's got a mate who says behave
You're not too bad but twice her age
Does that really make any difference?

He's had a few, we've all been there
Just 17 but he don't care
I don't think he knows the difference

'Cos she's got everything he wants
She's got everything he needs
(Take her back)

His mates found out, he feels a fool
They saw her on the bus to school
Should that really make any difference?

What would her dad say if he knew
She's on her knees, he's 22
I don't think he'd like the difference
Does that really make any difference?

'Cos she's got everything he wants
She's got everything he needs
(Take her back)
