

# Take Her Back

## The Pigeon Detectives

He's not sure what he should do  
She's 17, he's 22  
Is that too much of a difference?

So instead look what he's done  
He's found a girl who's 31  
Is that too much of a difference?

She's got everything he wants  
She's got everything he needs  
(Take her back, take her back, etc, etc, to her place)

She's got everything he wants  
She's got everything he needs  
(Take her back, take her back, etc, etc, to her place)

She's got a mate who says behave  
You're not too bad but twice her age  
Does that really make any difference?

He's had a few, we've all been there  
Just 17 but he don't care  
I don't think he knows the difference

'Cos she's got everything he wants  
She's got everything he needs  
(Take her back)

His mates found out, he feels a fool  
They saw her on the bus to school  
Should that really make any difference?

What would her dad say if he knew  
She's on her knees, he's 22  
I don't think he'd like the difference  
Does that really make any difference?

'Cos she's got everything he wants  
She's got everything he needs  
(Take her back)
