Plain Gold Ring

Nina Simone

Plain gold ring on his finger he wore
It was where everyone could see
He loved somebody, but it wasn't me
On his hand was a plain golden ring
On his hand was a plain golden ring
Plain gold ring had a story to tell
It was one that I knew very well
In my heart it will never be spring
Long as he wears a plain golden ring
Long as he wears a plain golden ring
Long as he wears a plain golden ring
Long as he wears a plain golden ring
When nighttime comes callin' on me
I know, why I will never be free

I can't stop these teardrops of mine
So I'm gonna love him till the end of time
Plain gold ring has but one thing to say
I'll remember till my dyin' day
In my heart it will never be spring
In my heart it will never be spring
Long as he wears a plain golden ring
Long as he wears a plain golden ring
Long as he wears a plain golden ring
Plain gold ring on his finger he wore
Plain gold ring on his finger he wore
Plain gold ring on his finger he wore
Plain gold ring on his finger he wore
