# R U Sure About That?

## ZOEgirl

R u sure about that?Can you try to hide
What's in your heart, what's on your mind
(R u sure about that?)
Can you carry on
Like nothing's wrong, go on and on
(R u sure about that?)R u sure about that?You've been pushed, you've been shoved
You've been left and unloved, oh, why do you stay
So many tears that you cry every night
But you know your life doesn't have to be this wayBut you got hurts deep inside you feel
It's only right that someone should pay
You can't forget all the scars, he left on your heart
All the promises he madeYou've gotta let it out girl
Gotta let it go, gotta give it up
If you really wanna know
The truth about life girl, the secret of loveIs living inside you, it's dying to break through
The walls around your heartCan you try to hide
What's in your heart, what's on your mind
Can you carry on
Like nothing's wrong, go on and on
(R u sure about that?)R u sure about that?You've been up, you've been down
You've been all around, you broke all the rules
It was good for a while, you hid behind a smile
But now you're broken and you're bruisedHave you ever considered
That life is a invitation for you
To decide in your mind
To accept or decline the reality of truthYou've gotta let it out boy
Gotta let it go, gotta give it up
If you really wanna know
The truth about life boy, the secret of loveYou've done it your way for so long
So tell me when's enough enoughCan you try to hide
What's in your heart, what's on your mind
(R u sure about that?)
Can you carry on
Like nothing's wrong, go on and on
(R u sure about that?)Life's been hard
Now, don't get me wrong
It's hard to find someone
You can count onI know that you wanna be strong
But anyone can play it tough

You may have yourself
But is that enough?R u sure, sure about
R u sure, sure about that?
R u sure, sure about
R u sure, sure about that?R u sure, sure about
R u sure, sure about that?
R u sure, sure about
R u sure, sure about that?Can you try to hide
What's in your heart, what's on your mind
Can you carry on
Like nothing's wrong, go on and onCan you try to hide
What's in your heart, what's on your mind
Can you carry on
Like nothing's wrong, go on and onCan you, can you try to hide
What's in your heart, what's on your mind
Can you carry on
Like nothing's wrong, go on and onR u sure about that?
