

# Execution Style

## Clubber Lang

The execution of the world is set  
The revolution you can't take it back  
This frustration equals inspiration  
The execution of your world is set  
Ready aim fire  
Ready aim fire  
Ready aim fire  
The execution of the world is set  
To fight back all you hypocrites  
This frustration is my inspiration  
The execution of your life is set  
Ready aim fire  
Ready aim fire  
Ready aim fire  
The execution of the world is set  
Downs troy your envy with my bloody hands  
This frustration is my inspiration  
The execution of your world is set
