

# Down On My Knees

## RAZZMATAZZ

I told you before - don't you hear what I say  
I won't take it no more - no more makin' me stay  
Down on my knees - you know I'm down on my knees yeh  
    Yes I've been down on my knees  
    But I'm through beggin' please  
I won't get back on my knees.Nobody knows - what your puttin me through  
    Nobody knows - if it's worth it for you  
    Nobody sees - you got me down on my knees  
    Well I've been down on my knees  
    And I'm through beggin' please  
Don't put me back on my knees.You know how I always loved you  
Never placed myself above you,Don't let me go - if I wish that I could  
    Don't tell me no - if I wish that you would  
Down on my knees - you know I'm down on my knees  
    Well I've been down on my knees  
    But I'm through beggin' please  
    Don't put me back on my knees.
