

# Tell Me

## Total

I like that, that's right  
We gon' smooth it out a little bit  
For all you players out there  
And we gonna sex it up a little bit  
For all you lovers out there Every woman wants a man  
Who can satisfy her desires  
But you can't understand  
That you got me waiting for your love  
And I need to hear the word from you Tell me what you want me to do  
'Cause baby I'm waiting  
Waiting for an answer from you  
Tell me what you want me to do  
'Cos baby I'm waiting  
Gotta hear a word from you baby Baby, I'm not afraid  
To speak from my heart to you  
What I feel is so true  
Take me, embrace me  
Don't keep me waiting for you  
Give me your loving Tell me what you want me to do  
'Cause baby I'm waiting  
Waiting for an answer from you  
Tell me what you want me to do  
'Cos baby I'm waiting  
Gotta hear a word from you baby Gotta tell you how I feel  
Love so good it seems unreal  
Really need your love right now  
Make it work somehow  
So won't you tell me what I gotta do babe  
I really really need your love Tell me what you want me to do  
Can't get enough of your loving  
Can't get enough of the things you do  
Can't get enough of your loving  
Can't get enough of the things you do Tell me what you want me to do  
'Cause baby I'm waiting  
Waiting for an answer from you  
Tell me what you want me to do  
'Cos baby I'm waiting  
Gotta hear a word from you baby Tell me boy what you want me to do  
'Cause baby I'm so in love with you Tell me boy what you want me to do

'Cause baby I'm so in love with you Tell me boy what you want me to do

'Cause baby I'm so in love with you
