

# Promise

## Orchestral Manoeuvres In the Dark

Change of mind is moved around  
Takes me back to when we met  
Forever moved a promise kept  
The song implies I don't believe all this before[Chorus:]  
    To be with you  
    Trust in your eyes  
    I can see in your eyes  
    Away, go away  
    To be by your side  
    I'd travel all night  
    Away, go away You set the scene to let me down  
And when you leave, I can never make my mind up  
    We're on the move, we move too far  
And when you lie it's only me, I'm not deceived at all[Chorus] So far from me to be the same  
    I'll try again, I'm here alone  
    I shan't forget I feel this way  
And all the time you can dance until we meet again[Chorus] To be by your side  
    I'd travel all night  
    Away, go away  
    To be by your side  
    I'd travel all night.
