Wurkin

Fu Manchu

Stickin' to the road like glue to your fingers
Sheet metal mold in the shape of tomorrow
It's been a long time and I'm right
Sandblast the rest and borrowFeet don't fail me now
I need more, show me howEvery night at sunrise
Bright lights shinin' in my eyes
I gotta leave 'cause there's no way to go
And outside lined in a rowFeet don't fail me now
I need more, show me how
