Girl, I've seen your presence this morning, today shall be a wonderful day.
Today the day will surely be wonderful
Today will be wonderful
Today will be wonderful
Girl, I've seen your presence this morning
Today the day will surely be wonderful
Girl, I've seen your presence this morning
Seeing your beautiful face
My heartgoes absolutely crazy I fold my hands and say
Come and live in my heart
Some lucky guy will be the one
Seeing your beautiful face, my heartgoes absolutely crazy I fold my hands and say.
Come and live in my heart, some lucky guy will be the one
Who will be colored in the colour of your love
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
Sometime you lower your eyes and giggle and while giggling you steal a glance
While giggling you steal a glance
The way you walk leisurely and swayingly on the tips of your toes.
On the tips of your toes.
Sometime you lower your eyes and giggle and while giggling you steal a glance
The way you walk leisurely and swayingly on the tips of your toes.
With your attitude who knows how many people it is going to kill
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
If you stop making false promises and if you've learned to keep your word
If you've learned to keep your word
Then whatever path you follow girl, Jagraj (the singer, self-reference) will watch for you
Jagraj will watch for you
If you stop making false promises and if you've learned to keep your word
Then whatever path you follow girl, Jagraj (the singer, self-reference) will watch for you
As the one who loves you, from God, I will ask only for you
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
Girl, I've seen your presence this morning, today shall be a wonderful day.
