

# Night Train

[Rickie Lee Jones](#)

Here I'm goin', walkin' with my baby in my arms  
'Cuz I am in the wrong end of the eight ball black  
And the devil, see he's right behind us  
And this worker said  
"She's gonna take my little baby, my little angel back" But they won't get you no  
'Cuz I'm right here with you  
On the night train Swing low, Saint Cadillac  
Tearin' down the alley and I'm reachin' so high for ya  
Don't let 'em take me back  
Broken like Valiums and chumps in the rain  
That cry and quiver When a blue horizon is sleeping in the station  
With a ticket for a train  
Surely mine will deliver me there Here she comes  
I'm safe here with you  
On the night train Oh mamma, mamma  
Concrete is wheeling by  
Down at the end of a lullaby  
On the night train
