Hello, It's Me

Todd Rundgren & Utopia

Hello it's me
I've thought about us for a long long time
Maybe I think too much but something's wrong
There's something here doesn't last too long
Maybe I shouldn't think of you as mineSeeing you or seeing anything as much I do you
I take for granted that you're always there
I take for granted that you just don't care
Sometimes I can't help seeing all the way through
(it's important to me...)
(that you know you are free...)
'Cause I never want to make you change for me...Think of me you know that I'd be with you if I could
I'll come around to see you once in a whileOr if I ever need a reason to smile and spend the night if you think I should
(it's important to me...) Me...
(that you know you are free...) Free...
'Cause I never want to make you change for me...Think of me you... you know that I'd be with you if I could
I'll come around to see you once in a whileOr if I ever need a reason to smile and spend the night if you think I should(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me think of me)
(think of me)
