# That Very Night

## Hollie Cook

You are perfect boy
For my, brand new number
I have got the birds and the springtime flowers
All aroundYou be a charming boy
Not like, my previous one
Cos he disappeared and left me all alone,
With my broken heart
Oh Oh Ohhhhhhh
La-la-la-la-la-la-la
La-la-la-la-la-la-laI want some special loving
Tonight
That very nightHold me tight my love
Show me youre not a clown
Cos since Im a girl
They only make me cry
Oh boy Ohhhhhhhhh
La-la-la-la-la-la
La-la-la-la-la-la-la
