

Crawling (One More Light Live)

LINKIN PARK

Crawling in my skin

These wounds they will not heal

Fear is how I fall

Confusing what is realThere's something inside me that pulls beneath the surface

Consuming

Confusing

This lack of self-control I fear is never-ending

Controlling

I can't seem

To find myself again

My walls are closing in

Without a sense of confidence

I'm convinced that there's just too much pressure to take

I've felt this way before

So insecureCrawling in my skin

These wounds they will not healFear is how I fall

Confusing what is realDiscomfort endlessly has pulled itself upon me

Distracting

Reacting

Against my will I stand beside my own reflection

It's haunting

How I can't seem

To find myself again

My walls are closing in

Without a sense of confidenceI'm convinced that there's just too much pressure to take

I've felt this way before

So insecure

Crawling in my skin

These wounds they will not heal

Fear is how I fall

Confusing what is realCrawling in my skin

These wounds they will not heal

Fear is how I fall

Confusing, confusing what is real

There's something inside me that pulls beneath the surface

Consuming

Confusing what is real

This lack of self-control I fear is never-ending

Controlling

Confusing what is real
