

Wreck Of The Day (Acoustic Version)

[Anna Nalick](#)

Driving away from the wreck of the day
And the light's always red in the rear view
Desperately close to a coffin of hope
I'd cheat destiny just to be near you And if this is giving up
Then I'm giving up
If this is giving up
Then I'm giving up, giving up on love, on love Driving away from the wreck of the day
And I'm thinking 'bout calling on Jesus
'Cause love doesn't hurt so I know I'm not falling in love
I'm just falling to pieces If this is, is giving up
Then I'm giving up
If this is giving up
Then I'm giving up, I'm giving up on love, on love And maybe I'm not up
For being a victim of love
Oh all my resistance
Will never be distance enough Driving away from the wreck of the day
And it's finally quiet in my head
Driving alone, I'm finally on my way home
To the comfort of my bed And if this is, is giving up
Then I'm giving up
If this is giving up
Then I'm giving up, I'm giving up on love, on love
