Believe

Dee Snider

Believe
It's the worst when you lose
And you know how hard you tried
Don't give in even when you hurt so deep inside
Don't you say that it's over
Better days are waiting for you
And you'll know that you won
After what they put you throughOh yeah, ain't always easy, but you'll survive
I know it's hard sometimes
But it's the burning that will make you feel alive
You'll never be alone
So put them in their place and say goodbye
You must believe
It's the worst when you lose
And you know how hard you tried
Don't give in even when you hurt so deep inside
Don't you say that it's over
Better days are waiting for you
And you'll know that you won
After what they put you throughThey tried to tear you down, make you feel small
No matter how hard they tried
You showed them that you are the best of all
Don't let them get you down
So put them in their place and say goodbye
You must believe, you must believe
You must believe, you must believe
You must believe
It's the worst when you lose
And you know how hard you tried
Don't give in even when you hurt so deep inside
Don't you say that it's over
Better days are waiting for you
And you'll know that you won
After what they put you throughA test of will, a test of faith
The pain you feel, the pray for strength
The battle scars, the battle cries
Won't break a soul so full of pride
The dream is yours to share it
Breath deep and believeBelieve

It's the worst when you lose
And you know how hard you tried
Don't give in even when you hurt so deep inside
Don't you say that it's over
Better days are waiting for you
And you'll know that you won
After what they put you through
It's the worst when you lose
And you know how hard you tried
Don't give in even when you hurt so deep inside
Don't you say that it's over
Better days are waiting for you
And you'll know that you won
After what they put you through
