

# I Guess I've Come to Live Here In Your Eyes

[Willie Nelson](#)

I guess I've come to live here in your eyes  
This must be the place called paradise  
You are so precious to me  
What a special time within our lives  
And I guess I've come to live here in your eyes A thousand times I see you  
And a thousand times you take my breath away  
Fears and doubts consume me and I'm afraid someone will take it all away  
I hope I'm here forever, but I think it's time that we both realized  
That I guess I've come to live here in your eyes A thousand times I see you  
And a thousand times you take my breath away  
Fears and doubts consume me, I'm afraid someone will take it all away  
I hope I'm here forever, but I think it's time that we both realized  
That I guess I've come to live here in your eyes I guess I've come to live here in your eyes
