Blazon Stone (Remastered)

Running Wild

Like an hawk-eyed eagle, we're cruising on our raid
Our dogged pride will never fade
Born free we're still sailing the seven stormy seas
No one will force us to our kneesStand tight, we'll fight the fear and pain
United force
Blazon stone, power and hope to the slave
Blazon stone, a mascot to the tortured
Blazon stoneBreak the chains of torment
Madness causing pain
Can't be the fate that rules the game
Corruption, hate and treason the evil we must fight
United we will stand the nightStand tight, we'll fight the fear and pain
United force
Blazon stone, power and hope to the slave
Blazon stone, suppression, we'll send to the grave
Blazon stone, we spit into the face of death
Blazon stone, a mascot to the tortured
Blazon stoneThey demonize our pride, blood on blood, we can't submit
We battle side by side, like a pounding ram that hit their head
Their man-o-war shall burn
Mr. Mortis reaps his seed the point of no return
Slanderous lies we will defeatStand tight we'll fight the fear and pain
United force
Blazon stone, power and hope to the slave
Blazon stone, suppression we send to it's grave
Blazon stone, we spit in the face of death
Blazon stone, a mascot to the tortured
Blazon stone
