

Let's Just Fall In Love Again

Jason Castro

Let's pretend baby
that you've just met me
And I've never seen you before I'll tell all my friends
That I think you're starin'
And you say the same to yours And oh, we'll dance around it all night
And then I'll follow you outside
And try to open up my mouth
And nothing comes out right And I wanna fall in love with you again
I don't have to try, it's so easy
Who needs to pretend? But because it's so funny
Let's just think about it honey
Let's just fall in love again I'll call you in three days
Not too soon, not too late
And I'll ask your roommate if you're home You'll call me on Thursday
And we'll hang out all day
Then fall asleep on the phone And oh, I'll hold your hand when we drive
And we'll lose track of all the time
And we'll tell everyone that
We ain't never felt so alive And I wanna fall in love with you again
I don't have to try, it's so easy
Who needs to pretend? But because it's so funny
Let's just think about it honey
Let's just fall in love again We'll fall disgustingly fast
And we'll stop hanging out with friends
And they'll be so offended And I wanna fall in love with you again
I don't have to try, it's so easy
Who needs to pretend? But because it's so funny
Let's just think about it honey
Let's just fall in love again Let's just fall in love again
So let's just fall in love again
