

# I'm Not That Lonely Yet

Reba McEntire

I don't mind to give you a slow dance or two  
I'm sorry I'm not at my best  
I know you can see I'm incredibly blue  
But I'm not that lonely yet I look in your eyes while you're dancin' with me  
And try to fulfill your request  
But don't ask for favors when it's time to leave  
'Cause I'm not that lonely yet Now don't say you want me I've heard that before  
The words weigh like stones in my head  
There may come a time when I'll think of it more  
But I'm not that lonely yet It's nice to be dancin' to waltzes again  
And maybe it helps to forget  
You've opened the door but I'm not waltzing in  
'Cause I'm not that lonely yet  
No I'm not that lonely yet
