New Years Day

Viva Brother

I got a wish in my well and it's burning up a hole in my pocket
A hole in my pocket
Well, I'm feeling closer to hell and it s burning like a big space rocket
A big space rocketYeahWhen you said I did losing faith
Well it s just like new years day
Fly away, fly away
Yeah it s just like new years day
Fly away, fly away
Yeah it s ba ba ba baOh ah oh ah oh ah ah ah oh oh ohWe fell asleep top and tails on the carpet it was so uncomfortable
So uncomfortable
I'm feeling like killer whale, let me free or I will bite your head off
Will bite your head offYeahWhen you said I did losing faith
Well it s just like new years day
Fly away, fly away
Yeah it s just like new years day
Fly away, fly away
Yeah it s ba ba ba baYeahWhen you said I did losing faith
Well it s just like new years day
Fly away, fly away
Yeah it s just like new years day
Fly away, fly away
Yeah it s ba ba ba ba
Oh ah oh ah oh ah ah ah oh oh oh
