

# New Years Day

## Viva Brother

I got a wish in my well and it's burning up a hole in my pocket  
A hole in my pocket  
Well, I'm feeling closer to hell and it s burning like a big space rocket  
A big space rocketYeahWhen you said I did losing faith  
Well it s just like new years day  
Fly away, fly away  
Yeah it s just like new years day  
Fly away, fly away  
Yeah it s ba ba ba baOh ah oh ah oh ah ah oh oh ohWe fell asleep top and tails on the carpet it was so  
uncomfortable  
So uncomfortable  
I'm feeling like killer whale, let me free or I will bite your head off  
Will bite your head offYeahWhen you said I did losing faith  
Well it s just like new years day  
Fly away, fly away  
Yeah it s just like new years day  
Fly away, fly away  
Yeah it s ba ba ba baYeahWhen you said I did losing faith  
Well it s just like new years day  
Fly away, fly away  
Yeah it s just like new years day  
Fly away, fly away  
Yeah it s ba ba ba ba  
Oh ah oh ah oh ah ah oh oh oh
