Country Boy

Jimmy Nail

When I was born as I recall
The preacher didn't hold out any hopes at all
He looked at me all pink and skin
Thought he'd better dip me in the bath againI scuffed my shins on bigger things
People throwin' rocks at the angel's wings
But through it all I stood tall
Even when my back was up against the wallThe devil's daughter keep a calling out my name
(Oh, baby I can take you down)
I so sincerely want to cross the road and play the gameRaise your hands, jump for joy
Let's hear it for the country boy
Raise your hands, jump for joy
Let's hear it for the country boy
Ooh, let's hear it for the country boySo I grow'd up became a man
I took my daddy's teachings all across the land
The journey's long but I must be strong
And try to tell the difference 'tween right and wrongBut devil's daughter keep a calling out my name
(Ooh, come on I'll make you miserable)
I've been to heaven now I'm never gonna see things the same
(Oh, love to be with [Incomprehensible] boy)Raise your hands, jump for joy
Let's hear it for the country boy
Raise your hands, jump for joy
Let's hear it for the country boyOoh, let's hear it for the country boy
(Raise your hands)
Ooh, let's hear it for the country boy
(Let's hear it now)Ooh, let's hear it for the country boy
(Raise your hands)
Ooh, let's hear it for the country boy
(Ooh, oh yeah)Ooh, let's hear it for the country boy
(Raise your hands)
Ooh, let's hear it for the country boy
(Raise your hands)Raise your hands, jump for joy
Let's hear it for the country boy
Raise your hands, jump for joy
Let's hear it for the country boyRaise your hands, jump for joy
Let's hear it for the country boy
