Psalm 23

Kathy Troccoli

I called and the Lord heard me
He is close to the broken hearted
And saves those who are crushed in spiritLord, You are my Shepherd
And I shall not want anymore
You make me lie down in peace
In fields of green I will sleepLead me beside the still waters
Gently restoring my soulEven though I walk through the valley
(Lord heal me)
Of the shadow of death
(Please free me)
I will fear no evil, You are with me
(I know You hear my prayer)Even though I walk through the valley
(Lord love me)
Of the shadow of death
(Please touch me)
I will fear no evil
(I need You here)You prepare me a table
In the presence of my foes
There with oil You anoint me
And my cup now overflowsSurely Your love and Your goodness
Will follow me all of my lifeEven though I walk through the valley
(Lord heal me)
Of the shadow of death
(Please free me)
I will fear no evil, You are with me
(I know You hear my prayer)Even though I walk through the valley
(Lord love me)
Of the shadow of death
(Please touch me)
I will fear no evil
(I need You here)Guide me now in Your righteousness
Oh, I will dwell with You foreverEven though I walk through the valley
(Lord heal me)
Of the shadow of death
(Please free me)
I will fear no evil, You are with me
(I know You hear my prayer)Even though I walk through the valley
(Lord love me)
Of the shadow of death

(Please touch me)
I will fear no evil
(I need You here)Even though I walk through the valley
(Lord heal me)
Of the shadow of death
(Please free me)
I will fear no evil, You are with me
(I know You hear my prayer)Even though I walk through the valley
(Lord love me)
Of the shadow of death
(Please touch me)
I will fear no evil
(I need You here)Though I walk through the valley of the shadow of death
I will fear no evil, for Thou art with me
Thy rod and Thy staff they comfort me
