

Without You (2016 Remastered)

The Doobie Brothers

I get a feelin', lost without you, baby
Livin' alone is drivin' me crazy
Don't you know, I got nowhere to go
You should be the one that's growling
You got everything you need Back in the days when love was so easy
I was fancy free and laughin' with no reason
Things have changed, your touch has grown strange
I can't help myself, I know that
You have left me dyin' here Baby, baby, I can't live without you
Baby, baby, I can't live without you, no more
Baby, baby, I can't live without you
I feel you know that, ooh yeah Oh, baby, I'm lost without you, baby
Oh, baby, baby, babe, I can hear you right now
