Run Away

Bbmak

Close your eyes and tell me what you see
The two of us, nothin' in between
And run away when we say goodbye for all the tears you cry
Don't replay, you could never hide and run away with meI can make you believe, it's worth it
Don't be afraid to be free
'Cause no one's perfect
I'll always be there by your sideSomeone said, love is all you need
So take my hand, I'll show you what it means
Just run away with meI can make you believe, it's worth it
Don't be afraid to be free
'Cause no one's perfect
I'll always be there by your sideSo, you've heard it all before
But there's nothin' I want more
So, ahhI can make you believe, it's worth it
Don't be afraid to be free
'Cause no one's perfect
'Cause always be there by your sideYes, I'll always be there by your side
'Cause I'm here for you
Yes, I'm here for you
