

Pack Your Bags

Kt Mulholland

Up north here, there ainâ€™t enough sun
So I packed up all my things
And I went on the run
To a new town, where thereâ€™s nothing but fun
And I guess it was true,
But still there ainâ€™t enough you
So come?
Just come

Pack your bags, say the word and baby weâ€™re gone, weâ€™re gone
Anywhere is cool just as long as itâ€™s you when I wake up wake up
Pack your bags, say the word and baby weâ€™re gone, weâ€™re gone
Anywhere is cool just as long as itâ€™s you when I wake up wake up

Touched down in a new in a new land
Recoil from the hands of a new man
Rejoice when I heard that you called
Cause I donâ€™t want this at all,
All I ever want is you, man
And I donâ€™t mean to tell you
How to do your business
But put your money
Where your mouth is

Pack your bags, say the word and baby weâ€™re gone, weâ€™re gone
Anywhere is cool just as long as itâ€™s you when I wake up wake up
Pack your bags, say the word and baby weâ€™re gone, weâ€™re gone
Anywhere is cool just as long as itâ€™s you when I wake up wake up

Can you hear me?
Can you hear me?
Can you hear me?
Iâ€™m calling out to you I said
Can you hear me?
Can you hear me?
Can you hear me?
Thereâ€™s only one thing left to do

Pack your bags, say the word and baby weâ€™re gone, weâ€™re gone
Anywhere is cool just as long as itâ€™s you when I wake up wake up

Pack your bags, say the word and baby weâ€™re gone, weâ€™re gone
Anywhere is cool just as long as itâ€™s you when I wake up wake up
