

So Many Times

Debra Snipes

Chorus

So many times, the Lord made a way for me
So many times, the Lord made a way for me

Verse

He picked me up, oh yes He did
And turned me around
He placed my feet, on solid ground

Chorus

Verse

Then I was sick, oh Jesus
And thought I wouldn't get well
You healed this old body, my Lord
And now I can tell

Chorus

Now sometimes I was up, oh yes I was
And sometimes I was down
Lord, seemed like I was never, never to, to the ground

Chorus

Now when I was lost, lost, lost Jesus
And couldn't find my way
You stepped right in,
And showed me the way
Lord I thank you I want to thank you
For holding me
You've been so good so good, to, to, me

Chorus
