No Love (feat. Ansley Newman)

The Ready Set

Don't believe a single word those vultures tell you
They don't know you, they don't want to
Trying to sell a dream as if you can't afford one
Well I've got extras, you can have some
Your heart in your hands and your head in the sky
Listen to every word that I'm saying alright?
It's not '88, everything has changed
And when the devil comes around me I will say
9 out of 10 times, I'm like an open door
But I'm afraid, my friend, that I've got no love for you
No love for you
Do you honestly believe the things you say?
Cause I'm afraid this time that I've got no love for you
No love for you, no no no no no
No love for you, no love for you
It don't look the same as what you see on TV
This shit ain't easy (this shit ain't easy)
I had to dig up my own bones from someone's graveyard
And reassemble, but we don't surrender
You're wanting the world and you'll get it in time
Listen to everyone that I'm saying alright?
It's not all fun and games, just do it your own way
So when the devil comes around you, you can say
9 out of 10 times I'm like an open door
But I'm afraid, my friend, that I've got no love for you
No love for you
Do you honestly believe the things you say?
Cause I'm afraid this time that I've got no love for you
No love for you, no no no no no
No love for you, no love for you
Have you got anything to say?
Where have you been all of these days?
Out there? Or nowhere?
You're like the devil coming around me with your blank stare
Don't care to hear what I should do
Fake smile, although I will never trust you
I've got no love for you
I've got no love for you
9 out of 10 times I'm like an open door

But I'm afraid, my friend, that I've got no love for you
No love for you
Do you honestly believe the things you say?
Cause I'm afraid this time that I've got no love for you
No love for you, no no no no no
No love for you, no love for you
