

# Wonderland

**Paul Hardcastle**

I'm in wonderland with you and it feels so nice  
You made all my dreams come true, feels like paradise.

I'm in wonderland.

I'm in wonderland with you and it feels so nice  
You made all my dreams come true, feels like paradise.

I'm in wonderland.

I'm in wonderland.

I'm in wonderland with you and it feels so nice  
You made all my dreams come true, feels like paradise.

I'm in wonderland.

I'm in wonderland with you and it feels so nice  
You made all my dreams come true.
