Over You

Cassadee Pope

Weather man said it?s gonna snow
By now I should be used to the cold
Mid-February shouldn?t be so scary
It was only December
I still remember the presents, the tree, you and me
But you went away
How dare you?
I miss you
They say I?ll be OK

But I?m not going to ever get over you
Your favorite records make me fell better
'Cause you sing along with every song
I know you Dead, mean to give that to me
But you went away
How dare you?
I miss you
They say I?ll be OK
But I?m not going to ever get over you
