

# White Shadows (live)

## Coldplay

When I was a young boy I tried to listen  
And I want to feel like that  
Little white shadows blink and I missed em  
Part of a system, a planIf you ever feel like something's missing  
Things you'll never understand  
Little white shadows sparkle and glisten  
Part of a system planAll this noise, I'm waking up  
All this space I'm taking up  
All this sound is breaking upWhoa ohMaybe you'll get what you wanted  
Maybe you'll stumble upon it  
Everything you ever wanted  
In a permanent stateMaybe you'll know when you see it  
Maybe if you say it you'll mean it  
And when you find it you'll keep it  
In a permanent state  
A permanent stateWhen I was a young boy I tried to listen  
Don't you want to feel like thatYou're part of the human race  
All of the stars and the outer space  
Part of the system planAll this noise, I'm waking up  
All this space I'm taking up  
I cannot hear, you're breaking upWhoa ohMaybe you'll get what you wanted  
Maybe you'll stumble upon it  
Everything you ever wanted  
In a permanent stateMaybe you'll know when you see it  
Maybe if you say it, you'll mean it  
And when you find it you'll keep it  
In a permanent state  
A permanent stateSwimming on a sea of faces  
A tide of the human race  
So, an answer now is what I needI see it in the new sun rising  
I see it break on your horizon  
Oh come on love, stay with me
