

This Is War

Thirty Seconds to Mars

A warning to the people, the good and the evil

This is war

To the soldier, the civilian, the martyr, the victim

This is war It's the moment of truth and the moment to lie

And the moment to live and the moment to die

The moment to fight, the moment to fight,

To fight, to fight, to fight To the right to the left

We will fight to the death

To the edge of the earth,

It's a brave new world from the last to the first

To the right, to the left,

We will fight to the death

To the edge of the earth

It's a brave new world, it's a brave new world (Whoa oh, whoa oh) A warning to the prophet, the liar, the honest

This is war

To the leader, the pariah, the victor, the messiah

This is war It's the moment of truth and the moment to lie

And the moment to live and the moment to die

The moment to fight, the moment to fight,

To fight, to fight, to fight To the right, to the left,

We will fight to the death

To the edge of the earth,

It's a brave new world from the last to the first

To the right, to the left,

We will fight to the death

To the edge of the earth

It's a brave new world, it's a brave new world, it's a brave new world I do believe in the light, raise your hands

up to the sky

The fight is done, the war is won, lift your hands towards the sun

Towards the sun, (it's the moment of truth and the moment to lie

It's the moment to live and the moment to die, the moment to fight)

Towards the sun,

Towards the sun, (it's the moment of truth and the moment to lie

It's the moment to live and the moment to die, the moment to fight)

The war is won (to fight, to fight, to fight, to fight) To the right, to the left,

We will fight to the death

To the edge of the earth,

It's a brave new world from the last to the first

To the right, to the left,

We will fight to the death
To the edge of the earth
It's a brave new world, it's a brave new world, it's a brave new worldA brave new world
The war is won
The war is won
A brave new world
