

# Turn the Girl Loose (2015 Remastered Version)

Mick Jagger

Turn the girl loose! I won't hurt nobody.  
Turn the girl loose! Let her speak for herself.  
The hounds are on the track. They won't catch nobody.  
The hounds are on the track. I don't really care.  
Turn the girl loose! I won't touch nobody.  
Turn the girl loose! Let her out of your heart.  
She's calling out across the lacquered ocean.  
She's calling out - hear her cry for help?  
Turn the girl loose! She won't touch nobody.  
She ain't your mama. She ain't your sister.  
Let her out of your heart.  
Turn the girl loose! I won't touch nobody.  
She ain't your lover. She ain't your brother.  
Let her out of jail.  
Just turn that girl loose! I won't hurt nobody. I swear!  
Let her out, let her out, let her out, let her out of jail.  
You're hanging out and you're sniffing  
the ground for some new blood.  
Don't ever get careless and don't leave  
the keys in the door.  
I found her crying and helpless. We made a quick getaway.  
She's here to tell you she don't want to see you no more.  
Turn that girl loose! I won't hurt nobody.  
Turn the girl loose! Let her speak for herself.  
Put her on the rack. Put her in seclusion.  
When you turned your back, I got the keys to her heart.  
She's calling out across the lacquered ocean.  
She's crying, crying out for help. Turn the girl loose!  
Turn the girl loose!  
Turn the girl loose! Let her speak for herself.
