Down to Atlanta

Bonfire

I met you down at Froggy's bar
You were selling drinks to me
But the way you smiled and the way you talked
Was selling more to meThere oughta be a law against the way you look
'cause you're drivin' me insane
There oughta be a law against the way you kiss
And the way you play your gamesYou're from Atlanta - Georgia
And Cindy was your name
Atlanta - Georgia
The eye of a hurricane
Take me down to Atlanta
Take me down little queen
Take me way down to Georgia
Take me down southern dream
my little Dixie queenGirl you got me shakin
Like a rollercoaster ride
I'm feeling high explosive
Like a keg of dynamiteThere oughta be a law against the South
Raisin' southern girls like you
There oughta be a law against the law
Ain't nothin' I can doTake me down to Atlanta
Take me down little queen
Take me way down to Georgia
Take me down southern dream
You're from Atlanta - Georgia
And Cindy was your name
Atlanta - Georgia
The eye of a hurricaneTake me down to Atlanta
Take me down little queen
Take me way down to Georgia
Take me down southern dream
