

# Black Holes in Stereo

## King Tuff

Sucked into the black hole  
spinning on your stereo.  
Heavenly angels sing along  
and the devils got your soul.  
Turn off all the lights girl  
and watch that puppy glow.  
There's a black hole on your stereo  
all you gotta do is  
GO GO GO! x16Girls and boys come from outer space  
and so does music too.  
I learn more working at the record store  
then I ever did in high school.  
Within the magic circle  
is all you need to know.  
There's a black hole on your stereo  
all you gotta do is  
GO GO GO! x16Baseball, football, too many rules  
and math is a crying shame.  
I woke up in a pool of drool  
with "freak" written on my brain.  
Found a 45 on the lawn  
I think it fell from a UFO.  
Now there's a black hole on my stereo  
all I wanna do is  
GO GO GO! x28
