

Highway

Trin-i-tee 5:7

It's a highway, mmm mmm mmm mmm mm
It's a highway to heaven yeah, and oh but none can walk up there
None but the pure, the pure in heart, yes It's a highway (highway)...
It's an uphill journey, but I'm walking
I'm walking up the King's ... (highway, highway)
And I'm walkin... (walkin, walkin, I'm walkin)
Oho oh oh oh oh yeah
I'm walkin up the King's Highway... Yes You see the reason why we sing this song
Cause why know how it is to cry all night long
Ad still not see the light of day
But we won't give up now (Oh No)
Til' we receive our crown
But it's a highway (highway, ooh, ooh, ooh, ooh, ooh, ooh)
And I'm walking up the King's highway (highway, highway)
And I'm walkin' Wakin, walkin.. I'm walkin...
Movin, movin.. I'm movin
Pressin, Pressin.. I'm... Chorus
Walking up the King's highway
