

# How We Do (Party)

Shaun Reynolds

And party and bullshit  
And party and bullshit  
And party and And party, and party  
I stumbled up to the window  
Opened the curtains to blinding light  
Make up all over the pillow  
What went on? What went on?  
What went on last night?  
You look so sweet while you're dreaming, (aaay)  
Holding your bottle of Tanqueray  
It isn't even the weekend  
Baby that's, how I know, you're the one for me  
I wanna party and bull  
And party and bull  
And party and bull  
And party, and party  
Cause when the sun sets baby  
On the avenue  
I get that drunk sex feeling  
Yeah when I'm with you  
So put your arms around me baby  
We're tearing up the town  
Cause that's just how we do  
We got that sweet hot loving  
Dancing in the dark  
Out in the streets we're running  
Shut down every block  
So put your arms around me baby  
We're tearing up the town  
Cause that's just how we do  
How we do, that's just how we do  
How we do, that's just how we do  
Hungover I think I'm broken  
You said the fax is a shot of Jack  
I said man what are you smokin'  
But alright, pour a glass, and we'll throw em back  
I wanna party and bull  
And party and bull  
And party and bull

And party, and party

Cause when the sun sets baby  
On the avenue  
I get that drunk sex feeling  
Yeah when I'm with you  
So put your arms around me baby  
We're tearing up the town  
Cause that's just how we do  
We got that sweet hot loving  
Dancing in the dark  
Out in the streets we're running  
Shut down every block  
So put your arms around me baby  
We're tearing up the town  
Cause that's just how we do  
How we do, that's just how we do  
How we do, that's just how we do  
I wanna party and bull  
And party and bull  
And party and bull  
And party, and party  
I wanna party and bull  
And party and bull  
And party and bull  
And party, and party  
Cause when the sun sets baby  
On the avenue  
I get that drunk sex feeling  
Yeah when I'm with you  
So put your arms around me baby  
We're tearing up the town  
Cause that's just how we do  
We got that sweet hot loving  
Dancing in the dark  
Out in the streets we're running  
Shut down every block  
So put your arms around me baby  
We're tearing up the town  
Cause that's just how we do  
How we do, that's just how we do  
How we do, that's just how we do  
How we do, that's just how we do  
How we do, that's just how we do
