Because of Once Upon a Time

Fats Waller

Once upon a time, you whispered I love you.
And once upon a time I thought it so.
You held me in your arm.
Said youâ€™d never let me go.
(You lying dawg, get away from here!)
Once upon a time, you kissed me remember?
Once upon time I didn't know.
A kiss could do such harm.
Never thought it would hurt me so.
(Wo wo wo wo)

Many many times, I dreamed of the past.
A dream that never came true.
On so many times, how long will it last.
As long as I last.
Dreaming of you.

Once upon a time, can that mean forever?
Ah you know I know you canâ€™t be mine.
Aw youâ€™re always in my heart.
Because of once upon a time.
(Yeah!)

Oh, once upon a time.
Can that mean forever?
You know I know you canâ€™t be mine.
Aw youâ€™re always in my heart.
Because of once upon a time.
