

Nowhere

112

If ever you wondered
If ever you were nervous about it
You gotta know, I ain't never
Lemme say that again
I ain't never, goin' nowhere
Listen to me Last night I almost cried when you told me
That you think you love me more than I love you
Sometimes it hurts to carry that burden alone
Let's be clear and get a few things straight
No one's ever gonna take your place in my heart
Nothing can measure the love that I've got for you, I'm telling you When I'm out in the club at night
You don't have to worry about a thing
'Cuz I ain't goin' nowhere, I ain't goin' nowhere
So my heart is telling me that you are the one
That I'm gon' be with for the rest of my life
And I ain't goin' nowhere I know you've heard it all before
You don't have to worry no more
'Cuz I ain't goin' nowhere
Baby just trust me
As long as you love me
I ain't never goin' nowhere I was lost and abandoned, searching for the truth
Looking for that missing one, that missing one was you
The road was so tough but you gave it up
Until I found you and you made it, worth the wait and worth the years
Worth the strain and worth the tears
And you don't know the half of it but baby here's the rest of it Did you know that your a gift far brighter than the
sun?
Did you know that your a blessing and I'm the lucky one?
Did you know that I could never ask for a better love?
Did you know that I would die, before I broke your heart?
Did you know that if you left me, my world would fall apart?
And never come back together, baby that's for real
So the next time that you doubt me, you'll remember this When I'm out in the club at night
You don't have to worry about a thing
'Cuz I ain't goin' nowhere, I ain't goin' nowhere
So my heart is telling me that you are the one
That I'm gon' be with for the rest of my life
And I ain't goin' nowhere I know you've heard it all before
You don't have to worry no more

'Cuz I ain't goin' nowhere
Baby just trust me
As long as you love me
I ain't never goin' nowhere When I'm out in the club at night
You don't have to worry about a thing
'Cuz I ain't goin' nowhere, I ain't goin' nowhere
So my heart is telling me that you are the one
That I'm gon' be with for the rest of my life
And I ain't goin' nowhere I know you've heard it all before
You don't have to worry no more
'Cuz I ain't goin' nowhere
Baby just trust me
As long as you love me
I ain't never goin' nowhere
