

But I Feel Good

Groove Armada

But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high

Deeper down yes y'all,

Deeper down

Deeper down yes y'all

Deeper down

Deeper down yes y'all

Deeper down

Deeper down yes y'all

Deeper down

Yeah, I was just following a Friday

Trying to get home, find a phone

Geezer lighter the futures brighter

Trying to hit a Saturday night

Yeah, I was just following a Friday

I found a driver, here's a fiver

I'll have to lend you

Excuse me is this the venue?

Yeah, I was just following a Friday

I was just going with the, uh

But I feel good, but I feel high

But I feel good, but I feel high

But I feel good, but I feel high

But I feel good, but I feel high

Deeper down yes y'all

Deeper down

Deeper down yes y'all

Deeper down

Deeper down yes y'all

Deeper down

Deeper down yes y'all

Deeper down

Yeah, I was just following a Friday

Trying to get home find a phone

Geezer lighter the futures brighter

Trying to hit a Saturday nighter
Yeah, I was just following a Friday
I found a driver, here's a fiver
I'll have to lend you
Excuse me, is this the venue?
Yeah, I was just following a Friday
I was just going with the, uh
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
Excuse me, is this the venue?
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
But I feel good, but I feel high
