Spun

Grandfather

I'm running rag-tag life in bag
I've been sleeping in a bus mistrust singing la da da do
I got the feeling I've been nickel and dimed
that was probably a lie for the sub inconscious state of mind
rush rush rush for the go
don't scatter too much
ill skip a count down(?)
fish scales falling for love
im falling for looooove(?)
reason reason reason,
is gone?.LOVE GO!
Spun (are you lost son, are you, are you lost son?)
Don't goooooo (are you lost son, are you, are you lost son?)
Get reason, reason?..reason is go! (are you lost son, are you, are you lost son?)
I'm spuuuun (are you lost son, are you, are you lost son?)
I'm running rag-tag life in bag

Flyin by drip dry low five singing la da da do
Rush rush rush
down in the sound
Its your ride top side high tide
Free falling below
Im falling for love
Reason reason reason
Its gone so low
Spun (are you lost son, are you, are you lost son?)
Don't goooo (are you lost son, are you, are you lost son?)
Get reason?reason, reason is go (are you lost son, are you, are you lost son?)
Unspun

(are you lost son, are you, are you lost son?)
(are you lost son, are you, are you lost son?)
HA, HA, HA! SPUN
