# Murder One

## The Wake

Welcome how are you feeling today?
What did you do yesterday?
Another life slipped awayHowcome murder one is all you think of
Is that all you dream of
Seeing lives pass away[chorus]
So this is the day when all life ends
The frustrations nest where all is stuck betweenWithdraw - do you remember anything?
You're creating agony
Haunting until they are deadHold on cause you have reached this far
And further would be stardom
Your self-created hell[chorus]
So this is the day when all life ends
The frustrations nest where all is stuck betweenWhy now? - You could have reached the stars
Why did you have to give up?
You know you have to payYou feel it's choking on your neck
It's squeezing - You can't take a breath
The price you have to pay[Solos: Luttinen]
