

# It's All Too Much

## Journey

Wow

It's all too much for me to see  
The love that's shining all around you  
It's everywhere, it's what you make  
For us to take each other's love  
It's all too much for me to see  
The love that's shining all around me  
The more I am, the less I know  
And what I do, is live for love

Hey hey hey hey

Oh, no no no no no

Yeah hey hey hey

Alright

Wooh, yeah, yeah

It's all too much

It's all too much, it's all too much  
It's all too much for me to see  
The love that's shining all around you  
It's everywhere, it's what you make  
For us to take each other's love  
It's all too much for me to see  
The love that's shining all around me  
All the world is built in hate  
So take a piece of my true love  
It's all too much, it's all too much  
It's all too much, it's all too much  
It's all too much, it's all too much, wow  
It's all too much, it's all too much  
It's all too much

Hcum oot lla s'ti, hcum oot lla s'ti  
Hcum oot lla s'ti, wow, hcum oot lla s'ti
